This Certificate is valid in any European Economic Area Member State.

This Report has been issued by HPi Verification Services Ltd which is a body notified to the European Commission according to the provisions of the Pressure Equipment Directive.

This Report is issued following the assessment of a representative example or examples of the Pressure Equipment submitted in accordance with the provisions of the above regulations. The CE Mark may be affixed to the Pressure Equipment once the EU 'declaration of conformity' has been signed by the responsible person.

Managing Director

Technical Manager

The manufacturer of the equipment to which this report applies must inform HPiVS of any proposed changes that could affect any of the assessed Essential Safety Requirements. Failure to do this will invalidate the report.
